Communication Workshop

General ESL / FSL

In this class you will explore grammar concepts appropriate for your level; always in context and through interesting themes. The approach is communicative and student centered, there are lots of opportunities to discover and practice the target language.

In this class you will have the opportunity to practice the four language skills: listening, speaking, reading and writing. Grammar and vocabulary are integrated into every lesson and the method of evaluation is Continuous Assessment.

Communication Workshop

Here you will have the opportunity to put everything you have been learning in the first two blocks into practice! This class is focused on communication and fluency, and the activities are designed to be fun and dynamic.

A unique learning experience!
